- **Governing Board Members' Update**

Eastland-Fairfield Career & Technical Schools:

Mrs. Galbraith reported that Mrs. Reid-Pleasnick was introduced as a new board member at the January EFCTS board meeting.

Delaware Area Career Center:

Mr. Bischoff updated the Board on the Career Center's work to implement the Learning Track model project.

Metropolitan Educational Council:

No items to report.

- **Treasurer's Update**

Mr. Hutchinson reported that our request to become self-funding for Workers' Compensation was turned down because our last audit took too long to complete by the State of Ohio. The ESCCO will re-submit their application in February and expects to receive approval next month.

The Franklin County treasurers met recently to modify the current school district accounting structure. Mr. Hutchinson informed board members that the format of financial reports will change in July.

- **Superintendent's Update**

Dr. Anderson provided the Governing Board with an update on the State's shared services report and how it will affect the work of educational service centers.

An update was also provided regarding the Local Government Innovative Fund which includes a technology project with the City of Columbus; shared inter-district bus transportation (routing functions), and related services staff scheduling.

Dr. Anderson informed Board members that the change in law allowing school districts to make a choice on which educational service center they want to be affiliated with does not provide for state funding to move with them. The ESCCO is working with on a legislative fix for this problem. Dr. Anderson anticipates that 9 school districts will be joining the ESCCO within the next two years.
