School Year Reflective of the 2021-2022 School Year

Annual performance framework (academic, fiscal, and organizational/operational) evaluation is considered using a five (5) point scale as found below. These ratings are holistic and consider the school's performance over multiple years/contract term.

The school's rating for individual components of the performance framework that summarizes the school's academic, fiscal, and organizational/operational record for multiple years and over the contract term will be attached to this report.

Due to the COVID 19 Pandemic not all accountability measures were available. Under appendix A - Flexibility During Periods of Declared Emergencies of the ESCCO Guidance Document, data available was used to inform the Annual Review Rubric.

All ESCCO/Community School Contracts have been extended due to the pandemic resulting in a new expiration date of June 30, 2024.

Comments: Due to the COVID 19 pandemic there were no report card ratings issued for the 2019-20 and 2020-21 school years. The school has met its mission specific goals over the course of the contract and all performance ratings over multiple years can be found in the attached document. The school has focused on extended standards alignment and assessment development. All students are on IEP's and overall growth has been demonstrated in academic meetings with the sponsor. A flexibility clause was also approved by both boards allowing for multiple forms of data – site reports, internal assessments, and academic meetings to be included. Students were shown to experience growth over the course of the year and are making progress.

7. Contract Sufficiency (per ORC section 3314.03)

The level of contract sufficiency - ODE checklist will be used to determine whether contract has been updated to their standards.

Comments: All areas have been met.

8. Conclusion

How is the school performing in relation to the contractual requirements? All areas are compliant have been met.

Comments:

Areas of Strength: Stakeholder feedback is extremely strong and supportive. The staff, leadership, and board are dedicated to the students and families of the school.

Areas of Improvement: The school will continue to monitor enrollment.

Subsequent Actions: Adding additional students as discussed in the April governing authority meeting. Enrollment being monitored.

Summary of Performance Over Contract Term and Prospects for Renewal: The school successfully completed the renewal process during the 2018-2019 school year. The ESCCO

recently extended all Community School Contracts due to the COVID 19 pandemic and the lack of significant data for a High Stakes Review when renewal comes. The Oakstone Community School contract is now set to expire June 30, 2024. They are on track for successful renewal as long as all processes are successfully completed and continued in the manner that they have been over the past year. A High Stakes Review will occur in the fall of the 2023-2024 school year. All information will be communicated about the renewal process and the ESCCO's policies and procedures is always available on the ESC sponsorship webpage: - https://www.escco.org/CommunitySchoolSponsorship.aspx

Note: The school's annual performance report and prospects for renewal will be communicated to and discussed with the school's governing authority at the December board meeting. Please post this report on the school's webpage and we will also post on our sponsor webpage.

It is a pleasure to work with Oakstone Community School! Thank You!
