

# Start Your Leadership Journey

## Are you ready to join the Aspiring Administrator Leaders Program?

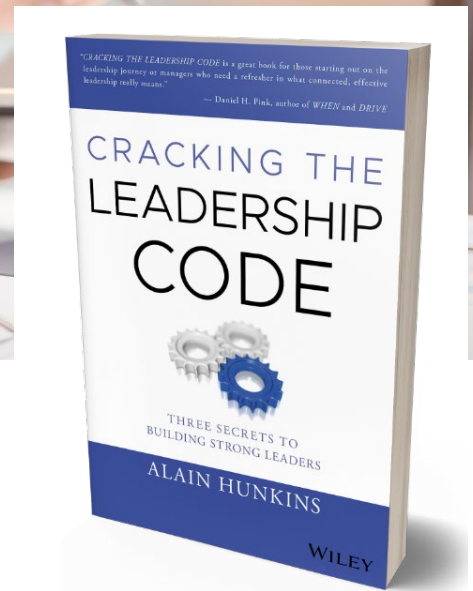

Are you ready to take on the rewards and challenges of leadership? Then it's time to join the ESC of Central Ohio's Aspiring Administrator Leaders Program.

This program is designed to introduce prospective leaders to the essential responsibilities, skills, challenges and rewards associated with school administration from a practitioner's perspective.

Program attendees will:

1. Explore typical duties and responsibilities of a building administrator to help candidates make an informed decision relative to completing a principal preparation program.
2. Enhance leadership skills and recognize personal strengths and weaknesses.
3. Use Ohio Standards for Principals as program foundation.
4. Interact with practicing building and district administrators.

Participants will be given a copy of *Cracking the Leadership Code: Three Secrets to Building Strong Leaders* by Alain Hunkins!
