

Technical Intern

Position: Technical Intern

Location: Bluebird Retirement Community, London OH

Job Type: Internship (Part-Time)

Duration: 120 Hours

Resumes should be sent to: Brenda Tompkins btompkins@bluebirdretirement.com.

About the Role

We are looking for a **motivated and tech-savvy intern** to join our team. This position offers an excellent opportunity to gain hands-on experience in working in an Assisted Living Community. The ideal candidate will be eager to learn, contribute to meaningful projects, and collaborate with professionals in the field.

Responsibilities:

- Assist with **software development, coding, and testing applications**
- Provide **technical support** by troubleshooting and resolving issues
- **Conduct research and documentation** to support technical projects
- Collaborate with cross-functional teams on **engineering or IT projects**
- Support **network configuration, cybersecurity measures, and system monitoring**
- Help with **data analysis, reporting, and process improvement initiatives**

Qualifications:

- Familiarity with **Microsoft Office 365**
- Understanding of **networking, databases, or system administration** is a plus
- Excellent **problem-solving and analytical skills**
- Ability to work **independently and as part of a team**

Benefits:

- Hands-on experience in a **real-world technical environment**
- Mentorship and guidance from **industry professionals**
- Opportunity to develop **new skills and expand technical knowledge**
- Potential for future **full-time employment opportunities**
