6.01/Items for the Board's Information and Review

Governing Board Members' Update

Eastland-Fairfield Career & Technical Schools No items to report.

Delaware Area Career Center No items to report.

Treasurer's Update

Mr. Varda informed Board members that the audit is in the final review stage and no findings are expected. The single audit's major program this year was the Federal programs granted to the Franklin County Family and Children First Council and it went very well. Mr. Varda commended all of the staff involved in this year's audit process. The Board members agreed to waive their attendance at the exit conference with the Office of the Ohio Auditor of State.

Board members requested that Mr. Varda attend the annual training required by the Office of the Ohio Auditor of State on public records on their behalf this year.

Ohio Healthcare Consortium Update

Mr. Varda reported that expenses have increased as more staff have scheduled medical procedures that were postponed due to the COVID pandemic. The Wellness Committee is meeting on April 11 to work on the selection of a vendor to provide a wellness program for staff.

Superintendent's Update

Dr. Goodney informed Board members that the ESCCO has received \$7.5 million from the Extended Learning and Recovery Grant and provided a summary of the initiatives and programs that will benefit from the funds. A presentation at a future meeting will be scheduled to provide Board members with more details on the upcoming work that will be done with these funds.

Dr. Goodney discussed the process underway to determine a cost of living increase for ESCCO staff for Fiscal Year 2022. A review of cost of living increases approved by our client school districts for their staffs has been completed and will be used in determining the percentage for recommendation to the Governing Board for ESC staff. Dr. Goodney informed Board members that other options including a one-time payment for Fiscal Year 2022 are being considered for recommendation. Mr. Marsh provided information on incentives in response to Mr. Alcock's question on efforts to retain teachers. Proposed salary schedules will be presented for the Board's consideration at the April 22, 2022 Board meeting.

Dr. Goodney distributed a handout to the Board members summarizing a study conducted by the Institute of Education Sciences, the statistics, research and evaluation arm of the U.S. Department of Education. IES conducted a study on high school transcripts which concluded that although high school students are earning more credits in academic subjects, their grade point averages are climbing and attaining higher curriculum levels, performance on national assessments in mathematics and sciences has continued to decline in the United States. Dr. Goodney also distributed a blog written by Dr. Mark Schneider, Director of the Institute of Education Sciences titled, "Education Runs on Lies". The blog further discusses the findings of the High School Transcript study.
