## 6.01/Items for the Board's Information and Review

Center for Student Services ELRP Update

Ms. Cindy Eldridge, ESC of Central Ohio Executive Director of Student Services, shared a PowerPoint presentation with Board members regarding the initiatives that have been undertaken by the ESC of Central Ohio with funds provided by the Extended Learning and Recovery Plan grant. The update included a review of the 4 pathways to licensure for staff through the Career Development and Advancement Program; leadership and instruction coaching; Board Certified Behavior Analyst coaching and supervision; credentialing pathways for the positions of Registered Behavior Technician and Behavior Technician; assessment of the causes of chronic absenteeism; and participation in statewide initiatives for providing academic support to tutor students in Math, English Language Arts, Science and Social Studies.

Superintendent's Update

Dr. Goodney provided information to Board members regarding a series of meetings have been scheduled by higher education institutions around the State to discuss the Future of Teaching in Ohio and develop a series of strategies to retain teachers and bring new ones into the profession. Ohio has experienced an increase of 400% in teacher resignations the past two years and the lowest number of qualified applicants available to fill these positions in all subject areas that has become a problem for all Ohio school districts. An array of expedited programs are needed to certify more teachers.

### Governing Board Members' Update

Mrs. Galbraith and Mr. Lopez reported that Dr. Pietsch Miller presented the EFCTS quarterly report at their recent Board meeting. In addition, a presentation on the adult law enforcement program was shared with EFCTS Board members.

Mr. Varda reviewed the recent staff re-structuring of his department this Fall. In addition to filling vacancies due to resignations, two additional staff members have been hired — one who will work with KIPP as they have expanded their fiscal contract with the ESC of Central Ohio and the other because of the increased workload due to the acquisition of several new grants. Indeed was used to identify qualified candidates to fill these positions.

Mr. Varda reported that the new Emergency Assistance to Non-Public Schools (EANS) funds are scheduled to be released soon.

### Ohio Healthcare Consortium Update
