

Buy In for Big Benefits

Limited-Time Title III English Learner Consortium Buy-In Offer

The ESC of Central Ohio is excited to offer districts not currently in the Title III English Learner Consortium an opportunity to access many of its benefits.

Purchase this comprehensive package to access high quality professional learning and assistance.

What's Included

COST: \$2,000

\$1500 worth of Title III PD offered through the ESC

3 hours of coaching or professional development in your district on your EL topics of choice

2 hours of one-on-one technical assistance with an EL Coordinator

free staff registrations for 4 English Learner Administrator Network meetings

In addition to these great benefits, this package means no more individual purchase order for each meeting or session you and your staff attends!

Fine Details

- Staff members must register through ESC registration platform for all meetings, trainings, and sessions. There will be no additional cost for designated Title III sessions.
- Two hours of technical assistance may be spread out throughout the school year or used in one session.
- Three hours of coaching or professional learning may be spread out throughout the school year.
- Mileage reimbursement to any meeting is not included in cost.
