The Search

Eastland-Fairfield Career & Technical Schools is seeking qualified applicants to replace Superintendent Bonnie Hopkins, who has led the district for the past 11 years. The district is seeking an educational leader who will embrace its vision and lead to improved achievement and engagement. The new Superintendent is anticipated to be in office by November 1, 2020.

Applicant Criteria

The Board is searching for an experienced administrator who will embrace the challenge of leading a career and technical center focused on aggressive improvement while working collaboratively and meeting the expectations of the Board, business and school communities, staff and students. The position of Superintendent requires an Ohio Superintendent's license and at least a master's degree.

About Eastland-Fairfield Career & Technical Schools

Eastland-Fairfield Career & Technical Schools serves 16 Central Ohio school districts in Franklin, Fairfield, and Pickaway Counties. It covers an area of 700 square miles, and is the seventh largest career and technical district geographically in the state.

The District has two main campuses — Eastland Career Center in Groveport and Fairfield Career Center in Carroll, with satellite locations at five of its associate high schools: Gahanna Lincoln, Groveport Madison, New Albany, Pickerington North, and Reynoldsburg.

Eastland-Fairfield Career & Technical Schools strives to offer high-tech, in-demand programs in order to better position students for a successful future. The District offers nearly 40 high school programs designed for students in their junior and senior year. In addition to traditional career and technical programs, such as Auto Technology, Welding, and Cosmetology, Eastland-Fairfield offers many programs designed specifically for students who intend to continue their education at a college or university. Currently, more than 57% of Eastland-Fairfield students continue their education at the post-secondary level.

Included in the Eastland-Fairfield district are nearly 2,500 adult education students who attend classes offered by the Adult Workforce Development Center and its Lancaster and Columbus satellite locations. Seven full-time programs and many part-time programs are offered for adults.

Assisting the district in curriculum and equipment update assessments are hundreds of representatives from business and industry. Serving on advisory committees for the full-time adult and high school programs, these professionals play an integral part in keeping the curriculum current with industry standards.

District Mission and Vision

Mission

Enrich lives by delivering exceptional career-technical educational outcomes for a changing world.

Vision

A quality educational choice -- where people like to be and everyone can succeed.

Values

- Relationships
- Integrity
- Passion for Learning
- Accountability

Leadership Criteria

The Board is specifically seeking candidates who demonstrate superior communication skills and have an ongoing record of improving academic performance, establishing new and sustaining current business partner collaborations, and participating in regional networks. Equally important, the candidate should possess a strong understanding of the changing economic context of the communities the career and technical center serves, and provide opportunities for any student to enroll in the school's programs. The candidate must be prepared to work collaboratively with the Treasurer and community to successfully address any challenges.

The Superintendent will need to demonstrate skills and knowledge necessary to meet the six standards of the Ohio Superintendent Evaluation System.

Terms of Employment and Compensation

The Board will provide a competitive compensation package. A multiyear contract with provisions for annual review and evaluation will be offered. The actual salary and benefits will be commensurate with the education and experience of the candidate.

Application

All applications will be processed online. The deadline to apply is August 28, 2020.
