In-Person Applications

There are many applicants that may face some challenges with the application process. Limited technical skills and the lack of technology/internet discourage some people from applying. Applicants are now able to apply in-person at the ESC located at 2080 Citygate Drive.

An ESC representative will assist the applicants with completing the application utilizing ESC technology. The in-person application "classes" will begin at 1:00 PM and candidates MUST be on time and bring a driver's license, social security card OR passport, and a voided check. If the applicant already has a background check and teaching license, they should also bring those. Fingerprinting for background checks will also be available. ($58 total for FBI and BCI)

The sessions will be limited to 7 applicants.
