

Office of Early Learning and School Readiness Preschool and School Age Child Care Medication Form

Revised 7/11/2016

This form meets Ohio Administrative Code. Programs may use this form or build their own.

A Medication Form is a request for the administration of prescription and non-prescription medication.

A separate form must be completed for each medication.

Except in cases of emergency, families provide the first dose of any newly prescribed medication so that they may personally observe the child's reaction.
