Implementing Restorative Practices

Join us for a FREE Restorative Practice professional learning opportunity. This one-day session is designed for the Restorative Beginner and the Restorative Intermediate District/School teams. The teams will work with IIRP trained Restorative facilitators to align the framework to the district Mission and Vision through the MTSS lens.

Breakout sessions will occur for the Beginner and the Intermediate groups. Beginner is defined as a community that has not had training but is planning on integrating Restorative Practices in the coming school year. Intermediate is defined as a community that has had training, but has not yet integrated Restorative Practices in their community.

This session is designed for district and building teams. An administrator is a required member of the team.

No cost – lunch included!
