Our Purpose

Student success for all students through graduation is at the core of the resources and services provided the ESC of Central Ohio's College and Career team. Through providing coaching, consulting, technical assistance and professional development, our team works to enhance the work-based learning ecosystem throughout the Central Ohio Region and beyond.

Outcomes

- Districts are kept up-to-date on current workforce development activities for students at all grade levels
- Increase in graduation rates and student access with viable employment, enrollment, and enlistment opportunities post-graduation
- Increase in earned Industry-Recognized Credentials and Ohio Means Jobs Readiness Seals
- Increase in systematic plans for exposure and awareness activities for student grades K-8
- Increase in staff understanding of post-graduation opportunities and how they can be accessed through College Credit Plus, Internships, Pre-Apprenticeships, and other work-based learning opportunities

Blueprint for Success

Our Services

K-12

- Build bridges between business and industry and the K-12 school systems
- Work-Based Learning ecosystems K-12 activities and resources
- Careers2Classroom teacher/workforce boot camp in collaboration with the Columbus Chamber of Commerce to immerse educators K-12 through a workforce deep-dive
- Provide career pathway audits for K-12 comprehensive districts to look at the K-12 work-based learning ecosystem and how it can enhance and support district strategic plans/goals
- Central Ohio Career Readiness Council (COCRC)

9-12

- College Credit Plus information coordinator between College/Universities and School Districts
- High School Tech Internship Intermediary for Central Ohio
