# PURPOSE

There are almost two million children who have a parent or guardian serving in the United States Armed Forces. Roughly three quarters of those military connected youth are 4-18 years of age. Military connected youth can be found in every school district in the country. With only one active duty base in Ohio (Wright Patterson Air Force Base), the importance of education/community outreach could not be greater when it comes to supporting the social, emotional, and academic needs of these children.

The purpose of this brochure is to inform schools of the educational resources and programs available to a group of students that many had no idea existed. Military connected youth in Ohio have unique challenges in education, mainly dealing with deployment and extended periods of separation. Knowledge empowers educators to look for red flags during times of separation as well as ensuring educators have an understanding of the programs and resources available to support their students.

In addition to educational resources, we strive to provide our military families and youth with well-rounded programming! Our goal is to strengthen ties, create lifelong friends, and build leadership, resilience, and camaraderie with other military families.

# IDENTIFICATION OF MILITARY YOUTH

“Military Connected Youth” are children, adolescents, or students with a close family member (parent, step parent, sibling, step-sibling, cousin) or friend serving in any branch of the United States Armed Forces in any status Active Duty, Reserve, or National Guard.

There are over 30,000 Military Connected Youth in Ohio. Military youth are in every county and most likely in your school district. Identifying them can be tricky, but there are some ways this can be accomplished:

**Veterans Day activities - Office enrollment forms - Newsletters - Web sites - Bulletin boards - Class meetings - Clubs and conferences - Announcements at all school events**

In December 2015, the members of the U.S. Senate and House of Representatives voted in favor of the Every Student Succeeds Act (ESSA). The legislation, signed by the President on December 10, includes a military student identifier that will enable military leaders, educators, and elected officials at all levels of government to understand how military-connected children are performing in school.

## MONTH OF THE MILITARY CHILD

Did you know that April is the Month of the Military Child? Started in 1986 by the Defense Secretary Casper Weinberger, the Month of the Military Child recognizes and highlights the sacrifices and unique challenges children of service members overcome. From deployments to new schools, military children are faced with unique challenges that ordinary youth their age never experience. Their ability to adapt to present and future changes deserves our respect and admiration.

# HIGHER EDUCATION BENEFITS FOR MILITARY FAMILIES

## Post 9/11 GI Bill

---

The Post 9/11 GI Bill allows service members to transfer unused educational benefits to immediate dependent family members (spouse and children). Transferred benefits may be able to pay for college tuition, housing, books and supplies after High School graduation until the dependent child has turned 26 years old. The service member must transfer these benefits while still serving in the active or a reserve component of the Armed Forces. Additionally, this transfer must occur between 6-16 years of military service and the service member must also agree to serve four more years in the active or reserve component from the date of transfer. In addition to the Post 9/11 GI Bill benefits, service members (and their dependents) who qualify for the Post 9/11 GI Bill at the 100% level may also be eligible to receive additional tuition benefits under the Yellow Ribbon program to help pay for tuition costs to attend private or public schools when the tuition fees exceed the authorized in-state rates.

**Spouse and dependents can apply for up to 36 months of benefits and may be able to receive money for tuition, housing, books and supplies.**

There are additional qualifiers to transferability and eligibility that can be found on the Veterans Administration website. Military youth should be encouraged to discuss this benefit with their veteran parents as well as the Military/Veteran program point of contact or the VA Certifying Official at the university or college to which they are applying for additional information on these programs.

**For more information visit [www.benefits.va.gov/gibill](http://www.benefits.va.gov/gibill)**

## Ohio War Orphans & Severely Disabled Veterans Scholarship

---

The Ohio War Orphans Scholarship awards tuition assistance to children of fallen or severely disabled veterans who served during a period of declared conflict or war. Student must be enrolled in a full time undergraduate study and pursuing a bachelor or an associate degree at an eligible Ohio college or university and must be under the age of 25. Benefits cover a portion of instructional and general fees at a two or four-year public institution. Applications are made to the Ohio Department of Higher Education, State Grants and Scholarship Department.

**For more information visit [www.ohiohighered.org/ohio-war-orphans](http://www.ohiohighered.org/ohio-war-orphans)**

## Fry Scholarship

---

The Fry Scholarship provides Post 9/11 GI benefits to children and spouses of fallen service members who died in the line of duty while on active duty after 9/10/2001. Beneficiaries may receive up to 36 months of benefits at 100%. Children are eligible as of their 18th birthday (unless they have already graduated from high school). A child may be over the age of 23 and be married, eligibility ends on their 33rd birthday.

# THE PURPLE STAR AWARD

The Purple Star Award for military-friendly schools recognizes schools that show a major commitment to serving students and families connected to our nation's armed forces. Schools that earn the award receive a special Purple Star recognition to display in their buildings. The Purple Star Advisory Board, formed by the Ohio Department of Education, Higher Education, Veterans Services, and Adjutant General, helps decide a school's eligibility for the award.

## How to Qualify

Schools must fulfill all the required activities, plus one optional activity, listed below. The school must upload evidence of completion into the Military Children in Ohio's Schools course in the Learning Management System for Ohio Education (accessed through the point of contact's SAFE account):

## Required school activities

- The school must have a staff point of contact for military students and families. The point of contact serves as the primary liaison between them and the school. This contact could be a counselor, administrator, teacher, or another staff member;
- The liaison completes professional development on special considerations for military students and families under federal law. Each school district may choose its own professional development resource from a menu of options listed on the Ohio Department of Education's website;
- The liaison finds and informs teachers of the military-connected students in their classrooms and the special considerations military families and students should receive;
- The school keeps a dedicated page on its website featuring resources for military families.

## Optional school activities

- The school provides professional development on federally identified special considerations for military students and families during a staff meeting or another event;
- The local school board passes a resolution publicizing the school's support for military children and families;
- The school hosts a military recognition event designed to demonstrate a military-friendly culture at the school.

## How to Apply

Go to your school point of contact's SAFE account and click on the Learning Management System (LMS) link. Once in the LMS, click on the Course Catalogue link near the top right side of the screen. The course titles and descriptions will appear in tiles. Click on the course titled Military Children in Ohio's Schools. This will enroll you in the course.

Once you are in the course, look for Content Browser on the right side of the screen. Under that tab, you will find six modules. Click on fifth module down, for schools applying for the Purple Star Award. You will see there are quizzes and drop-boxes that allow you to upload evidence of completed and optional requirements.

# MILITARY INTERSTATE CHILDREN'S COMPACT COMMISSION

The Military Interstate Children's Compact Commission (MIC3) began establishing itself around the country between 2007 and 2009. The MIC3's sole purpose is to facilitate timely enrollment of K-12 students in school systems during any point in an academic year due to Active Duty assignments of the U.S. Armed Forces.

The MIC3 supports the transfer of school and student records, seeks to remove barriers due to variations in local districts. Including everything from entrance and age requirements to graduation, across the States and the District of Columbia.

The MIC3 allows for State MIC3 Commissioners (Appointed by the Governor, State's Superintendent, and/or the State Legislature) to organize between the sending and receiving States. The State's MIC3 may also facilitate qualification for curricular and extra-curricular programs.

The MIC3 Commissioners, States, and local districts shall endeavor to do what is in the best interest and most appropriate for a "Military kid" and her/his family. Ensuring that that "kid" stays on course for a successful K-12 education experience and a successful high school graduation.

## What Children Are Eligible for Assistance Under the Compact?

### Children of:

- Active duty members of the uniformed services, National Guard, and Reserve on active duty orders
- Members or veterans who are medically discharged or retired for (1) year
- Members who die on active duty

## What Children Are Not Eligible for Assistance Under the Compact?

### Children of:

- Inactive members of the National Guard and Reserves
- Members now retired not covered above
- Veterans not covered above
- Dept of Defense personnel, federal agency civilians and contract employees not defined as active duty

## How can schools get support to help in this process?

Member states each have a State Council designed to serve as an advisory body of state policy makers concerning operations and procedures of the compact. Individual states' language may differ but all operate within the rules of the Interstate Compact.

# OUR MILITARY KIDS

**Do you have families in your school experiencing an overseas deployment?**

**Do you have students who play sports?**

**Or do they take dance, music, or art classes?**

**Would they like to try something like karate or camp?**

**Could your students benefit from a tutor to stay at grade level?**

If the answer is YES to any of these questions, Our Military Kids may be able to help. Our Military Kids pays for children ages 5 through the 12th grade of deployed National Guard and Reserve personnel to participate in youth sports, fine arts, and tutoring programs. This is a way of recognizing the sacrifices the entire family is making while the service member is deployed overseas.

**It is simple to apply to the program...**

Just fill out an Our Military Kids application that can be downloaded from our website, [www.ourmilitarykids.org](http://www.ourmilitarykids.org). Send it in with the required documentation listed on the application, including deployment orders, proof of the child's dependent status, and cost information for the activity of your choice. The grant will cover up to six months of instruction for the activity you select, with a maximum grant award of up to \$300 per child. If everything is in order and funding is available, a check will be sent to the organization within two weeks. The child will be notified via mail with an award packet.

# OHIO MILITARY KIDS

Ohio Military Kids (OMK) is a collaboration between the Ohio National Guard and The Ohio State University's 4-H Youth Development Program.

The goal of OMK is to create community support networks for military youth when they experience a loved one's deployment.

OMK educates the public on the impact a deployment has on a service member's children, families, and communities through awareness building and educational trainings with schools and community organizations.

OMK delivers recreational, social, and educational programs for military youth in civilian communities geographically dispersed throughout the state.

OMK strives to provide military families and youth with well-rounded programming that strengthens ties, creates lifelong friendships, and builds leadership, resilience, and camaraderie.

Programs are intended to let military connected youth know they are not alone and provide them with the tools to help them cope with the stresses involved with being part of a military family.

Parents and children state that the opportunity to meet others who share the experience of being in a military family is what they like best about participating in OMK programs.

## Programs

**Hero Camps:** One day camps for the whole family that provide exciting learning experiences while integrating key resiliency skills.

**Troop and Family Camps:** Weekend camps for the whole family to strengthen ties and build camaraderie with other military families.

**Youth and Teen Camps:** Ohio Military Kids (OMK) offers two residential camps, held concurrently at Kelleys Island in Lake Erie! Military Youth participate in service learning projects, build relationships with military peers, learn resiliency, develop habits for healthy living and instill pride in being a military kid.

**Teen Leadership Camp:** Provides an opportunity for military teens to participate in a leadership workshop where they will develop confidence, friendships, and leadership skills that will last a lifetime.

**Parent Workshops:** Assist parents in improving home life, a child's academics, and family relationships.

## Inter Service Family Assistance Committee

ISFAC is an attempt to connect the military community with national, state, regional and community resources; as well as volunteer support opportunities. The ISFAC partners senior military with state and federal agencies, veteran service organizations (VSOs) and nonprofit agencies and organizations. The first ISFAC facilitated by the Ohio National Guard was held in 2006. In 2016, the State Quarterly ISFAC meetings averaged 46 partner agencies, organizations and Military leadership in attendance. The Ohio ISFAC has evolved into one of the most successful Inter-Service Family Assistance Committee's in the nation and will be celebrating its 10 year anniversary in November.

Regional Inter-Service Family Assistance Committee (RISFAC) evolved in 2009, following 13 community town hall meetings. RISFAC's are an effort to generate local partnerships that include leadership from local military units, local government, non-governmental agencies, private businesses, faith based entities and local veteran agencies. The RISFAC meetings have resulted in a greater collaboration between the military and local resources, creating a win/win situation for everybody.

The Ohio ISFAC/RISFAC are well established and represent a platform to coordinate a collective military/community support system for Ohio service members, military families, and veterans. Since 2016, RISFAC's meetings have averaged 154 partner agencies per quarter.

Ohio has six RISFAC's facilitated by the Ohio National Guard and Family Assistance Center and meet quarterly. # SUPPORT & SPECIAL EVENTS

The Ohio National Guard is a proud member of communities throughout Ohio in which our Soldiers and Airmen serve. Through an active community relations program, the Ohio National Guard demonstrates it is a good neighbor and community partner by providing support in three basic areas:

## **Non-Aviation, Army Aviation and Air Force Aviation**

The Ohio National Guard will make every effort to provide support for your event, but organizers should be aware that support may not be available due to military needs, and/or state or federal restrictions on how the Ohio National Guard is permitted to support organizations and events.

**The Ohio National Guard Public Affairs Office approves all support requests. Please call (614) 336-4499 should you have questions regarding your request.**
