HEAR MEMBER STORIES

"I was at work not feeling well but didn't want to leave work. So I decided to call Teladoc. It was a wonderful experience! The doctor called me back within 30 minutes. I spoke with him for about 15 minutes and he wrote me a prescription that I was able to pick up on my way home from work at my local pharmacy! It was very convenient. Teladoc saved me money and I didn't have to miss time from work." - **Ann**
